

my_project.model.Bungalow
Parser.getScannerResult

```
graph LR; A[my_project.model.BungalowParser.getScannerResult] --> B[my_project.model.BungalowScanner.scan]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'my_project.model.BungalowParser.getScannerResult'. The right box is white and contains the text 'my_project.model.BungalowScanner.scan'. A dark blue arrow points from the right side of the left box to the left side of the right box.
